This 4 oz sample bag is the perfect size to get to know a coffee. take it for a spin before committing with just enough to dial in a filter brew and make a decision. it also looks quite sophisticated to bring to a party instead of another bottle of Meomi...

\$2.50

per ounce

\$0.71

per cup

14 cups

Ideal for:

- sample coffee
- gifts for people you “like”
- cooking with coffee
- travel & weekend get-away

The 10 oz bag is the foundation of world class specialty coffee and keeps you brewing at peak freshness. Brewing 5 cups per day for a week and then allowing you to move onto the next small batch roast. This is our choice as baristas and roasters.

\$1.80
